

AZIENDA AGRICOLA RIGO

Intrigo Rosato

Vinification	Fermentation of the must, skins removed as occurs with white wines
Ageing	In steel vats

Sensorial Profile

Our Intrigo Rosato has a pale pink colour with hints of orange.

It has a delicate bouquet with scents of violet. On the palate it is dry, full-bodied, smooth and well-balanced.

To Drink With

Excellent as an aperitif, it is also very well suited to the traditional Piedmontese starters, first and second fish based courses.
